WITNESSETH: That;

WHEREAS, the DOTD has developed a set of guidelines relating to the procedures that must be adhered to by

WHEREAS, the purpose of this agreement is to establish a formal understanding between the two parties that

NOW, THEREFORE, in consideration of the premises and mutual dependent covenants herein contained, the

The Grantee shall initiate and prosecute to completion all actions necessary to provide its full share of Project costs at or prior to the time that reimbursement is requested from the DOTD. The Grantee further agrees that no reduction of Grantees share of the Project costs will be made without prior written approval of the DOTD. The Grantee shall not incur new obligations for the terminated portion after the effective date, and shall cancel as many outstanding obligations as possible. Failure by the grantee to carry out these requirements is a material breach of the Agreement which may result in the termination of this Agreement or such other remedy as the DOTD deems appropriate.

After proper notification by DOTD, immediate remedial action shall be taken by the Grantee as deemed appropriate by DOTD or the agreement shall be terminated. The option will rest with the DOTD. The above requirements shall be incorporated by reference in all subcontracts entered into by the Grantee.

RE: Desoto ADA Modifications – Extension Request

Dear Lauren,

Due to the delayed delivery dates for the replacement penal fixtures in the Jail Area (as per Construction Change Directive #1) and the laminate for the Sheriff’s Office reception desk, I respectfully request that a total 60 days be added to our contract time in order for these items to be received, scheduled, and installed.

This extension is only requested for these two areas of construction, as all of the others work for this project is complete and a “punch list” was delivered to your office on 2/26/2016.

Please let me know if you have any questions regarding this request.

Sincerely,

Bill Blocker
